A cartoon illustration of a wizard with a long brown beard and a blue hat with a purple band. He is wearing a blue robe with purple trim and is pointing his right index finger towards a landscape. The landscape features rolling green hills, a small village with blue-roofed houses, and dark, jagged mountains in the background. A large, bright yellow sun is setting or rising behind the mountains. In the foreground, there are several colorful, glowing eggs (purple, blue, yellow, orange) scattered on the grass. A speech bubble is positioned above the wizard, containing text. In the bottom right corner, there is a blank yellow rectangular area for a personalized URL.
